

University of Nebraska– Lincoln

Department of Mathematics

Required	Strongly Recommended	Minimum Requirements	Other Factors
The general GRE, transcripts, letters of recommendation and a statement of purpose.	Several proof-based mathematics classes, including, for example, real analysis and abstract algebra.	We have no formal minimum requirements.	<p>Participation in an REU, other types of undergraduate research projects, or similar math-intensive summer programs is valued, but not essential.</p> <p>Letters of recommendation (especially, if applicable, those from REU directors) are given large weight.</p> <p>The subject GRE is optional, but will be given weight if a score is submitted.</p>

Current Practice on Application Fee Waiver:

The graduate college allows Project 1000 applicants to request a fee waiver
