

## 2022 The 7<sup>th</sup> Ewha-Luce International Seminar (ELIS) in Webinar: *Expanding Horizons*

April 8, 2022. ELIS Team

<b>Background</b>	<ul style="list-style-type: none"> <li>- Ewha-Luce International Seminar (ELIS) aims to strengthen the capacity of the next generation of women leaders in science in the U.S., Asia, and Oceania, further expanding their vision for the future of science.</li> <li>- ELIS: Expanding Horizons started as an intensive 18-day long residential program for women graduate students in STEM in 2015 with support from Henry Luce Foundation in the U.S.</li> <li>- Due to the pandemic outbreak in 2020, ELIS 2021 was conducted online for two and a half weeks. ELIS 2021 in Webinar is regarded as a unique case study in providing interactivity to an online educational format and stands as a model for online leadership programs.</li> <li>- The 7th Ewha-Luce International Seminar in Webinar: Expanding Horizons will be held online in the summer of 2022, standing on the previous year's success.</li> </ul>
<b>Logistics</b>	<ul style="list-style-type: none"> <li>- Date &amp; Time: June 27 - July 22 2022. 09:00~12:30 KST</li> <li>- Participants : Women graduate students in STEM from the U.S., Asia, and Oceania</li> <li>- Format: Online via Zoom, other online platforms, and tools</li> <li>- Language: English (No interpretation provided)</li> <li>- Organizer: Ewha Institute for Leadership Development (EILD)</li> <li>- Hosts: Henry Luce Foundation (US), Ewha Womans University</li> <li>- The registration fee will be fully covered by ELIS grant for selected ELIS participants</li> </ul>
<b>Program Goals</b>	<p>ELIS <i>Expanding Horizons</i> aims to cultivate the next generation of global women leaders in STEM with the following five qualities:</p> <ol style="list-style-type: none"> <li>(1) initiative in pursuit of gender equality</li> <li>(2) cross-cultural understanding with a good grasp of communication skills</li> <li>(3) consilience capacity to integrate multi-disciplines</li> <li>(4) influential leaders with a global network among STEM professionals</li> <li>(5) responsible leaders for the people, society, and the environment</li> </ol>
<b>Significance</b>	<ul style="list-style-type: none"> <li>- World's only comprehensive online leadership seminar for women graduate students</li> <li>- Unique opportunity to create a new vision by the empowerment of emerging women scientist leaders</li> <li>- Encouraging up-and-coming women STEM leaders to build a solid relationship and create a global network.</li> </ul>
